

17th International Conference on Screening for Lung Cancer
Annenberg Center for Health Science at Eisenhower Medical Center
October 19-21, 2007

Friday, October 19, 2007; 9:00am-5:30pm. Annenberg Center for Health Science

Opening and Welcome. Moderator: J. P. Smith

- | | |
|-------------------|---|
| 9:00-9:10 | Welcome - A. Serfling, CEO of Eisenhower Medical Center, D. Vafai, Eisenhower Medical Center |
| 9:10-9:20 | Summary of Conferences - C. I. Henschke |
| 9:20-9:40 | Updates from Japan - H. Kato |
| 9:40-10:00 | Updates from Europe - C. Brambilla |

I-ELCAP Updates. Moderator: J. Mulshine

- | | |
|--------------------|--|
| 10:00-10:20 | The network, the regimen, and future directions - C. Henschke |
| 10:20-10:30 | Pathology - D. Carter |
| 10:30-11:00 | Coffee Break |

Assessment of Effectiveness of Screening: Understanding the Two Prevailing Approaches. Moderator: D. Yankelevitz

- | | |
|--------------------|--|
| 11:00-11:20 | The interrelation of curability gain and mortality reduction - O. Miettinen |
| 11:20-11:40 | Respective problems in and solutions for I-ELCAP and NLST - O. Miettinen |

Assessment of Effectiveness of Screening: Report on a Third Approach. Moderator: O. Miettinen

- | | |
|--------------------|---|
| 11:40-12:10 | Mortality reduction in I-ELCAP - P. Boffetta |
| 12:10-2:00 | Lunch, Sponsored by Luci Curci Cancer Center |

Quality Standards for Screening: F. Grannis

- | | |
|------------------|--|
| 2:00-2:15 | European development of guidelines for screening - L. von Karsa |
|------------------|--|

Friday, October 19, 2007; 9:00am-5:30pm. Annenberg Center for Health Science

Opening and Welcome. Moderator: J. P. Smith

2:15-2:30 **Current US guidelines - D. Yankelevitz**

Thoracic Imaging. Moderators: D. Yankelevitz, A. Koch

2:30-2:45 **Current extent of thoracic imaging in the United States - D. Shaham**

2:45-3:00 **Responsibilities of the radiologist in reporting the findings and in making follow-up recommendations - K. Garg**

3:00-3:15 **Current practices in the work-up of pulmonary nodules - H. MacMahon**

3:15-3:30 **Current practices in the work-up emphysema and chronic bronchitis - J. Zulueta**

3:30-3:45 **Current practices in the work-up of coronary calcifications - J. Shemesh**

3:40-4:00 **Integrating CAD into practice - R. Avila**

4:00-4:30 **Coffee Break**

4:30-5:30 **Special lecture.
Moderator: H. Kato
*Nodule characterization and its implications - S. Sone***

7:00-8:00 **Dinner, Sunrise Terrace, Rancho Las Palmas Resort and Spa, 41000 Bob Hope Drive, Sponsored by Siemens**

Saturday, October 20, 2007; 9:00am-5:00pm. Annenberg Center for Health Sciences

New Initiatives. 9:00am-10:00am. Moderator: A. Reeves

9:30-9:45 **A mouse model for lung cancer model - R. Weiss**

9:45-10:00 **Response Assessment in Clinical Trials - P. Murphy**

10:00-10:30 **Coffee Break**

10:30-11:30 **Scientific Presentations. Moderator: D. Shaham**

11:30-12:30 **Poster Presentations**

Friday, October 19, 2007; 9:00am-5:30pm. Annenberg Center for Health Science

Opening and Welcome. Moderator: J. P. Smith

12:30-1:30 Lunch, Sponsored by Luci Curci Cancer Center

1:30-3:30 Workshops

I. The role of I-ELCAP in screening guidelines development and program accreditation.

Moderators: R. Smith, L. Von Karsa, J. P. Smith

II. Nodule characterization and CAD development

Moderators: S. Sone, A. P. Reeves

III. Integrating smoking cessation into screening practice

Moderators: J. Ostroff, M. Mahoney

IV. Criteria for cytology evaluation

Moderator: M. Vazquez

3:30-4:30 Workshop Consensus Report

6:00-8:30 Dinner, Wally's Desert Turtle Restaurant, Rancho Mirage, Sponsored by Dr. Davood Vafai and Eisenhower Radiology Group

Sunday, October 21, 2007; 10:00am-12:00pm. Annenberg Center for Health Sciences

10:00-12:00 I-ELCAP Steering Committee Meeting
