

**5<sup>th</sup> International Conference on Screening for Lung Cancer**  
**Weill Medical College of Cornell University**  
**October 26-28, 2001**

Friday, October 26, 2001 Uris Auditorium, Weill Medical College of Cornell University

- |             |   |
|-------------|---|
| 9:00-9:05   | Welcome - James P. Smith  |
| 9:05-9:30   | Update on Interim Conferences - John Field, Robert Smith, Fred Hirsh  |
| 9:30-10:00  | Introduction to the Conference - Claudia I. Henschke  |
| 10:00-12:00 | I-ELCAP Protocol Perspectives. Moderator: Nathaniel Berlin Radiology - John Austin Pulmonology - Javier Zulueta Blood biomarkers - Margaret Spitz Sputum biomarker - Luis Montuenga Cytology - Madeline Vazquez Histology - Douglas Flieder Behavioral - Jamie Ostroff Quality assurance - Irena Tocino and Edward Hendrick |

Coffee Break to be announced

- |            |   |
|------------|---|
| 12:00-1:30 | Lunch   |
| 1:30-2:30  | Sub-solid nodules. Moderator: Harvey Pass Concepts, terminology, frequency of malignancy - Claudia Henschke Chemoprevention of malignancy - James Mulshine and NCI statistician Intervention on diagnosed 'malignancy': RCT? - Nasser Altorki and David Yankelevitz |
| 2:30-2:45  | Coffee Break to be announced  |
| 2:45-3:30  | Subsolid nodules, Moderator: Darryl Carter Cytology-pathologic correlation and quality assurance - Madeline Vazquez and Douglas Flieder   |
| 3:30-5:30  | Varia, Moderator: James P. Smith General discussion   |

Saturday, October 27, 2001; 8:00am-5:00pm. Scientific Session and Workshops Weill Auditorium, 2nd floor, Weill Medical College of Cornell University

8:00-10:00 Scientific Presentations

10:00-5:00 Workshops:

Workshop I: International Early Lung Cancer Action Program Protocol

Workshop II: Diagnostic research on sub-solid nodules

Friday, October 26, 2001 Uris Auditorium, Weill Medical College of Cornell University

Workshop III: Intervention research on sub-solid nodules (malignant, benign)

Workshop IV: Behavioral research in the I-ELCAP framework

Sunday, October 28, 2001; 9:00am-12:00pm, Workshop reports and consensus development Weill Auditorium, 2nd floor, Weill Medical College of Cornell University
